## EXPERIENCE

### Web Developer at TechSavvy Solutions USA, 2020 - 2022

As a Web Developer at TechSavvy Solutions, I was entrusted with spearheading the development of innovative digital solutions for a diverse range of clients. Working closely with cross-functional teams, I contributed to the entire development lifecycle, from conceptualization to deployment.

### Social Media Manager at Digital Dynamics Inc Canada 2023-2024

As a Social Media Manager at Digital Dynamics Inc., I orchestrated comprehensive social media strategies to elevate brand awareness, foster community engagement, and drive business growth for our diverse portfolio of clients. With a finger on the pulse of social trends and consumer behavior, I curated compelling content that resonated with target audiences across various platforms.
